

ADMISSIONS POLICY

Policy statement

It is our intention to make AACC accessible to children and families of all sections of the local community through open, fair and clearly communicated procedures.

All numbers taken are subject to staffing in line with Ofsted ratios*. The setting manager will always strive to provide places but there may be times when places are full and the setting may have a waiting list.

*Ratios: 2 year olds are 1:4;
3-4 year olds (who have not started school) are 1:8;
School age are 1:30.

These are Ofsted set ratios, although we try to keep to 1:15 for anyone 3 and over for best practice.

We both encourage and actively support eligible parents/carers claiming and taking up the childcare element of the Working Tax Credit. The management team endeavour to operate the setting in a flexible and friendly manner. The procedures are intended to balance flexibility with the practical procedures of running the setting.

Admissions Procedure

We ensure the existence of the setting is widely advertised in places accessible to all sections of the community.

We ensure that information about the setting is accessible and, where necessary, provide the information in an appropriate format.

Pre-school

- The Pre-school arranges the waiting list for places in order of; Date of birth, Free 2's, catchment area, siblings and then any other children are admitted from the date they turn two until they start full time school.
- At Pre-school we are flexible about attendance patterns for new starters to accommodate the needs of individual children and families, providing these do not disrupt the pattern of continuity in the setting that provides stability for all the children. (If you need to amend your child's existing funded hours, you must give one terms notice. You may change your funded hours during the term but your funding will not change for that term. If you need to change your non-funded hours with less than two weeks' notice, an administration fee of £20 will apply.
- We monitor the gender and ethnic background of children joining the group to ensure that no accidental discrimination is taking place.
- AACC's Equalities Policy and Procedures describes the club's practices in terms of how it treats individuals, regardless of gender, special educational needs, disabilities,

background, religion, and ethnicity or from families where English is an additional language. Additionally we describe in the settings Special Educational Needs policy how we enable children with disabilities to take part in the life of the setting.

Fees:

The fee structure can be found in our Fees Policy.

Invoices are issued at the beginning of each term.

Payment of fees can be flexible if needed and can be in full or instalments. BACS payments and childcare voucher schemes are accepted.

The setting will be sympathetic to requests for alternative payment options. Parent/carers wishing to negotiate this or any other alteration to the standard fees policy should arrange a meeting with the Finance Manager at the earliest possible opportunity.

If the fees are not paid on time, the Finance Manager will notify the parent/carer in writing and request payment. Each case will be dealt with on an individual basis.

Parent/carers are encouraged to speak to the Finance Manager if they have any query about the fees policy or if for any reason they are likely to have difficulty in making a payment on time. Parent/carers are strongly advised to arrange a meeting at the earliest possible opportunity to avoid jeopardising their child's place at the setting.

If fees are paid persistently late or not at all, with no explanation, the Finance Manager will investigate the matter and discuss different payment plans.

The Finance Manager has the right to issue a formal warning to the parent/carer and inform them that continued late payment will result in their child's place at the setting being forfeited.

If all options have been explored and the fees are not paid, the setting may be forced to terminate the child's place.

If fees are not paid after written reminders, the setting may be forced to apply to the small claims court to retrieve payment. (Please see our monies owed policy)

Pre-school fees charged for over three-year-old children in universal entitlement.

Eligible children are entitled to access up to 15 hours per week of Early Years provision. This can be taken over 38 weeks as long as the total hours claimed does not exceed 570 hours. (If a term is longer than the funding provision you will be expected to pay for the sessions your child is attending).

Extended entitlement for eligible three and four year olds.

Some parent/carers may be entitled to 30 hours childcare if they meet the criteria. (We, as a setting only offer 24 hours)

If eligible they will be sent a code which will need validating by the childcare provider.
Please contact Louise Woolcott (Finance Manager) for further information.

- The waiting list will be kept and used on a first come first served basis. The manager will advise the parent/carer of how long they are likely to have to wait
